

The background is a vibrant, abstract composition. It features a dense field of overlapping, semi-transparent triangles in various colors including shades of pink, purple, blue, yellow, and green. Overlaid on this geometric pattern are several thick, flowing, ribbon-like shapes in bright colors: a magenta ribbon at the top left, a blue ribbon at the bottom, and a cyan ribbon on the right side. The overall effect is dynamic and modern.

# WHAT IS IT?

Brand synchronization is a business organization method that touches every area of your business and ensures that it is in sync.

# Why Does It Matter?

Having a clear and concise voice, vision and values ensures that your business is built and runs on a solid foundation.

**Solid business foundations are built on >**

- Vision/story (why this product or service)
- Clear core values (What you stand for and why)
- Research (understanding of your market)
- Mission/Goals (overall goal for your business)

# FINDING YOUR VOICE

A black and white photograph showing a hand holding a microphone over a keyboard. The microphone is positioned diagonally across the frame, with the hand visible on the left side. The background is blurred, showing the keys of the keyboard.

**Take a look at your values as a person and  
See how those translate within your business.**

# SYNCHRONIZING IT

Now that we know what your values, voice and story is.  
We will synchronize it on every level.

- Internal/external documents
- Marketing
- Social media posts
- Logo
- Goals
- Products

WHAT COMES  
NEXT?
